

## Compass Card Order Form

Your transit pass is now Compass Card – San Diego’s new smart card technology for transit. You may order an Adult, full-fare Compass Card using this order form. You may *reload* any Compass Card using this form. Initial purchase of Senior, Disabled, Medicare, (S/D/M) and Youth passes on Compass Card must be made in person with an I.D. Locations selling Compass Cards include all San Diego County Vons, the Metropolitan Transit System (MTS) Transit Store, and North County Transit District (NCTD) Customer Service Centers. Find all locations at [www.511sd.com/compass](http://www.511sd.com/compass).

As of May 1, 2010, there is a \$2 fee for new Compass Cards. The fee is added to the cost of your transit pass. Compass Cards offer new flexible pass choices. You may buy a calendar monthly pass or a 30-Day pass. You may buy a 30-Day pass any day of the month and receive 30 consecutive days of riding. Calendar monthly passes are valid from the first to the last day of the month. If you are ordering your first Compass Card, you will receive a calendar monthly pass for the coming month.

To reload your Compass Card, please include on your order form the 16-digit Compass Card ID number on the back of the card. No need to send in your card; we will process your request and reload the pass automatically. If you reload a 30-Day pass, it will be effective the day after your current pass expires.

Compass Cards also may be reloaded at a Ticket Vending Machine (TVM) located at all MTS and NCTD rail stations, at locations including Vons, the MTS Transit Store and NCTD Customer Service Centers, as well as online at [www.511sd.com/compass](http://www.511sd.com/compass), or by calling 511 and saying “Compass.” To sign up to have your pass automatically reloaded to your card every month with a credit or debit card call 511 and say “Compass.”

### How do I use the Compass Card?

Each time you board your bus, tap the card flat on the Compass Card validator on our near the farebox. For the TROLLEY, COASTER, or SPRINTER, find the validator on the station platform for the rail service you will be using and tap your Compass Card flat on the Compass Card symbol. Always tap before boarding to validate each trip. Fare inspectors use handheld devices to check cards.
